

UNCONVENTIONAL LEARNING CONSULTING

Our strengths lie in making meaning out of nothing & in drawing our unprecedented insights from experiences, seemingly impossible metaphorical connects to our Soul Purpose, Sweet Spots, Inner calling, Unconscious & Leadership.

We deploy iconoclastic Concepts including nontraditional eLearning, Arty Leadership, ArdhNareshwar, Alcoholic Leadership, Fit Leadership, Fragrant Leadership, Naked Leadership, Wicked Leadership & Soul Leadership. Our conventionality of Coaching methodologies range from a Mythology connect to Neurosciences, Behavioral Sciences, Appreciative Enquiry, Psychometrics, Whole Brain Theory, Music, Arts, Theatre, Outbound Learning, Experiential Learning, Virtual Reality, Premier League, Adventure Training, Gamification to Laboratory Training.

We enable individuals to dip into their hidden creative sides & unleash the potential contained within. We really subscribe to the fact that today is a world of 'Death by Powerpoint'; we need to have more sustainable tools which help in learning retention across levels & geographies. These interventions really get participants intrigued about processes, enhance productivity & creativity within. We also bring forth sustained learning through our other interventions like Lessons from Movies, Paintball, Laser Tag or Xbox.
